Principal/Assistant Superintendent

This survey is for **sophomores** and **seniors** ONLY

Dear Parents:

The Partnership for Youth, a program of the Franklin Regional Council of Governments, is conducting the Prevention Needs Assessment (PNA) Survey on **February 7, 2018 (Seniors) and February 12, 2018 (Sophomores)**. Your child's class had been selected to participate in this survey. The PNA survey measures alcohol, tobacco, and drug use, the factors that place students at risk for problem behaviors, and the factors that protect students from problem behaviors.

The purpose of the study is to gather the information needed to plan important prevention and intervention programs to combat such problems as alcohol and other drug use and violence in our schools and communities. It will also help us judge the effectiveness of our current prevention and intervention efforts. I have a copy of the survey instrument in my office, if you wish to stop by and review it.

The survey is entirely anonymous. Students will not put their names or any other identifying information on the survey booklet. All results from the study will be presented only in group summary form, like many opinion polls.

Additionally, your child's participation in the survey is completely voluntary. Each child will be given the option of leaving blank any question that he or she prefers not to answer. You may decline to have your child participate, if you wish. If you do decline, your son or daughter will be allowed to read or participate in some other alternative activity while his or her classmates are taking the survey.

The survey is being conducted under contract with Bach Harrison L.L.C., 116 S 500 E, Salt Lake City, Utah, 84102, a nationally known research firm. If you have any questions regarding the study, please contact Jeanette Voas at The Partnership for Youth (413-774-3167, ext 122, or [jvoas@frcog.org](mailto:jvoas@frcog.org)).

Please let me know in writing by **Friday, February 2, 2018** only if you **do not wish** your son or daughter to participate in the study. Feel free to call me if you have any other questions about this important study.

Sincerely,

Shawn Rickan  
Principal/Assistant Superintendent
